

Portsmouth Triathletes Privacy Statement

Portsmouth Triathletes Club respects the information provided to us by our members.

The Club will only retain personal information of its members for the specific purpose it has been provided. The Club will ensure that any other party, approved by The Club, which collects and retains the personal information of Club Members' does so for the specific purpose required by the club. This can include on-line membership, race entry information or for bespoke club discounts.

The club will manage the data it holds on its members in accordance with the 2018 UK General Data Protection Regulations (GDPR).

If you have any queries or wish to make a complaint in respect of the way the club manages data it holds on its members, please contact the Club Secretary at:
